State of CA offering Over \$100 Million in Tax Credits

Join us for a workshop on the California Competes Tax Credit; a free program available to businesses of all sizes, in any city in California. Since Governor Brown created the program in 2014, almost 700 California business owners have claimed \$500 million in tax credits and plan on creating over 70,000 jobs.

The 100% online application is easy to fill out. Senior officials from the Governor's Office of Business and Economic Development (GO-Biz) will lead a presentation and provide customized guidance on how to apply for this tax credit program. The next application period opens January 2, 2018.
